LONG ISLAND SOUND INSTITUTE note:

500 million dollars offer to Purchase Rights of Plum Island as part of Endowment Pledge
Accepting all current conditions of same to restore potential as a SAFE Place of Public Service
Formed to honor our Heritage, History & Future we have received the gift of a masterful amphibious machine and a 5 year pledge for staff that will assure the Love & Care from all corners of the Sound. State & Federal & Educational Sites will know their efforts will be aided from start to forever by the income from a firmly set to protect fund of 500 million dollars. Not relying on the vicissitudes of politics or the vulnerability of Annual Fund Raising we will make our Ancestors & Future Generations feel our treasures are protected & enhanced & revitalized & improved by Love & Care. FEDERAL GOVERNMENT ASSETS WILL REMAIN IN PLACE
